YAS275 Alto Saxophone

Yamaha's 275 series saxes offer a perfect introduction to the world of the saxophone. Whether a beginning student, or an advanced player needing a doubling instrument, the 275 series saxes offer surprisingly high quality features at a student model price.

YSS675 Soprano Saxophone

The YSS-675 soprano saxes feature a design incorporating many of the innovations found in the Custom series. They offer a clear focused tone, and excellent playability as well as extremely accurate intonation and comfortable response

YBS32 Baritone Saxophone

Yamaha's 32 series saxes offer professional qualities at an intermediate price. Much of their design is based upon the more expensive Pro and Custom saxes, and they share many of the same features

YTS475 Tenor Saxophone

Intermediate Series Tenor Saxophone

The 475 is an ideal step-up instrument, perfect for bringing the best out of advancing students. With a design based upon the Pro and Custom saxes, it shares many of their features, including highly accurate intonation, warm tone, and a quick response.

Trevor James Alto Flute

Excellent alto flutes for flute players or doubling musicians. Extremely free blowing headjoints, the Trevor James alto flutes are easy and wonderful to play.

Trevor James Bass Flute

Excellent tonal colour and dynamic facility combine with soldered tone holes, pointed key arms and a well designed mechanism to create a superb and exacting **bass flute**.

Comfortable as a solo performer or in a flute choir, the **bass flute** is handmade to exacting standards without compromise.

Trevor James Recital Flute

The Trevor James Recital flutes have been designed 'by flute players for flute player's and utilise the stunning tonal flexibility of a handmade Flute Makers Guild of London headjoint .

The Recital flute Models are identical in design, build and set-up but with differing precious metal content denoting their Recital number:

Recital 3 – 925 FMG headjoint, with 925 silver body, footjoint and French style pointed key arm mechanism

Virtuoso VF

925 silver headjoint, body and footjoint tube with silver-plated French style pointed key arm mechanism. The Virtuoso flute is designed for the serious flute playing who requires a colourful, deep timbre with a wide tonal range.

Trevor James Piccolo

Professional piccolos made to the most exacting standards, the Trevor James Recital piccolos are handcrafted to produce a warm, rich sound that blends perfectly with other acoustical instruments
